

Tree of Life Order Form

According to Jewish tradition, the Torah is our "Tree of Life." The teachings of Torah continue to grow as it continues to bring knowledge and wisdom to us all.

At CBI, our Tree of Life is a reflection of this idea. As our congregation grows, we will encounter many significant moments: new life, death, life cycle commemorations, personal and communal milestones, etc. When an individual, family, or group marks one of these events with a leaf, it bears witness to your life and the life of our sacred community.

Members of Congregation Beth Israel and their families can purchase leaves for **\$180 per leaf**. From the time of purchase it will take approximately four to six weeks to install the leaf on the tree. Thank you for your contribution to our community.

עץ חיים היא למחזיקים בה ותמכיה מאשר

It is a Tree of Life to those who hold it fast, and those who cling to it find happiness.

--Proverbs 3:18--
